Gregory B. McMenemy, Jr.

**G**reg McMenemy is devoted to handling cases involving wrongful death and serious or catastrophic injuries. His practice focuses on trucking accidents, automobile collisions, motorcycle accidents, spinal and brain injuries, and premises and products liability. McMenemy pursues cases professionally, ethically, and compassionately. He is dedicated to serving his clients and to securing the greatest possible results for victims of a devastating event. He is a fellow of *The Bar Register of Preeminent Lawyers* and AV<sup>®</sup> Preeminent<sup>™</sup> rated.

McMenamy Law was founded with the ideal of creating a friendly, caring environment to help individuals and families in their attempts to heal from life's worst circumstances, and he is devoted to providing for all of his clients' needs. McMenemy Law limits the number of cases it accepts, so its attorneys can concentrate the necessary time, energy, and resources to each of their clients' claims.

Greg is a trial lawyer with 23 years of experience and holds the skills necessary to maximize the recovery for individuals and families who have suffered a loss. At McMenemy Law, we genuinely care about the people we represent and do everything possible to help restore their lives to the place they were before their tragic event.
